

Spring 2020

Dear Friends of Camp Cutler,

I hope this letter finds you healthy in the midst of our national health crisis. Even though we are all supposed to be staying home and away from each other, one of the things that we can do is go outside and enjoy nature. One great place to take advantage of that is Camp Cutler. If you haven't been out to the Camp before, now would be a great time to come and take a walk. Spring is a beautiful time here at Camp Cutler. Spring also means it's time once again to come to you and ask for financial help. As you know, we completely rely on our generous donors to keep Camp Cutler in good condition and free for all to use. Thank you so much for helping anyway that you can.

Camp usage for 2019 included Polar Bears and Klondike Derby Winter Camping. A Fraternity group from CMU came out for a weekend. There was also Scout camping, family camping and an adult scout training group. We were able to do some needed maintenance on our utility tractor and purchase a blade that will allow us to smooth out the road bed and plow snow. We are continuing to improve our web site and hope that we can make it easier to reserve the camp and upload pictures of the different outings. Our road bed over the river had a washout last spring that was repaired. It's easy to take driving to the back of the property for granted until the road needs repairing and access is cut off. Hopefully there will be minimal damage this spring, but unfortunately, road maintenance is an ongoing battle. Quite a few Scout leaders have indicated that they have scouts that are in need of an Eagle Scout project. It will be exciting to see the ideas and improvements that they come up with for Camp Cutler start developing this summer.

The Camp Cutler Work Bee will be Saturday April 25th. Hopefully restrictions will be lifted by that day. It's a day of cleaning, raking, sweeping, and removing debris. We always end with a hot dog roast. Please feel free to come and participate if you would like to help out or just to enjoy a good campfire. Please RSVP to Lance at 989-621-2794 for our hot dog count if you plan on coming. Again, thank you for your support of Camp Cutler. We appreciate every donation we receive and promise you that it will be put to good use.

Sincerely,

Connie Marshall
Camp Cutler
