

Spring 2021

Dear Friends of Camp Cutler,

Spring has finally sprung and that means it's time to come to you and ask for financial help. As you know, we completely rely on our generous donors to keep Camp Cutler in good condition and free for all to use. We hope that you will once again consider making a donation.

Camp usage for 2020 was not what we had hoped with the restrictions imposed by Covid but there were still quite a few groups that took advantage of the Camp. There were a couple weekend scout campouts in late summer and fall, and a Klondike Campout this winter. Also, we were very fortunate to be the recipients of 4 Eagle Scout projects. One of those projects was an Adirondack Shelter just off the main trail with a ramp that will allow access for any handicapped users. The boards of the front Pavilion were repaired, replaced, and stained and the Nature Trails and signs were improved upon. Just past the entry gate the Memorial Garden was refurbished. The benches were stained and new bushes and trees were planted. There are a few other projects planned for this summer. It is great to have a place where our youth can go to give back to their communities. Thank you for being a part of that future.

On a sad note, it is with a heavy heart that we are continuing to move forward this year. Our Board of Directors Chairman, David Harrison passed away unexpectedly in March. Dave was a vital member of the Camp Cutler Board since at least 1995. He was heavily involved in Scouts and served as a District Leader, then joined the Camp Cutler Board of Directors. He served as Vice-Chairman and was Chairman from 2000 until now. Words cannot even express how deeply we will miss him, how sorry we are that he is gone, and how much sympathy we have for his family's loss. We all would like to say a big Thank You to Dave Harrison for all that he did for Camp Cutler and for the youth that he helped through his involvement in Scouting.

The Camp Cutler Work Bee will be Saturday April 24th. It's a day of cleaning, raking, sweeping, and removing debris. We always end with a hot dog roast. Please feel free to come and participate if you would like to help out or just to enjoy a good campfire. Please RSVP to Lance at 989-621-2794 for our hot dog count if you plan on coming. Again, thank you for your support of Camp Cutler. We appreciate every donation we receive and promise you that it will be put to good use.

Sincerely,

Connie Marshall
Camp Cutler
